## LOCATION

### Abruzzo

A short drive from Rome and considered the greenest region in Europe with three National Parks and many protected areas and species such as bears, wolves, lynx and Golden Eagles. Abruzzo spreads from the Apennine mountains to the Adriatic Sea which means that you can admire the highest mountains of the Apennines, the Corno Grande, directly from its coast.

It is this huge variety of landscapes and seascapes that make it an ideal place to have a relaxing holiday. Abruzzo and her four provinces: Teramo, L'Aquila, Pescara and Chieti have a very diverse gastronomic heritage that includes wine, pasta alla chitarra, extra-virgin olive oil, cheeses, salami, truffle, saffron and fish soups.

Abruzzo remains unknown and off the beaten track to many non Italians. For that reason, we can give you the special attention you deserve. Abruzzo and her people, the Abruzzese, will reawaken your senses and provide an unforgettable Italian holiday you will never forget!

### Vasto

Vasto is a Roman coastal town (population: over 40,000), just 3 hours from Rome, which flourished again in the 15th and 16th Century. You will enjoy exploring the centro storico, its cathedrals and churches, the 15th Century Palazzo d'Avalos, the Rossetti Theater, the cafes, and restaurants.

Enjoy the food, wine and gelato, vineyards, cheese factories and olive oil mills, as well as the many natural sites: a selection of beaches, from sandy shores to pebbly coves, from the populous marina to the natural reserve, from dunes to trabocchi, the unique fishing huts you will marvel at, all within a short distance.

## PICK UP AND DROP OFF

### *Pick up*

The **pick up at Rome Fiumicino airport (terminal 3) is planned at 12:30 pm on day 1**. Normally it takes **3-3,5 hours to drive to Vasto**, our base on the Adriatic Coast for all the tours. The duration of the trip depends on traffic (on Sunday, when most of our tours start, usually there is no traffic) and if you need to stop at the motor service along the way for a snack or to go to the toilette. It is a beautiful and relaxing driving crossing three National parks, from where you can see many hilltop villages and the Apennines.

Please consider also this information:

- You can also reach Vasto or other destinations in Italy **by bus or train**. Please take a look at [this page](#). We'll organize the taxi transfer from/to Vasto train station (10 minutes driving) or Vasto coach station to/from the hotel in Vasto (3 minutes driving).
- If you're having trouble finding a flight that best fits our schedule or want more time to recover from jet lag, we point out that one solution (as several of our clients do) is to stay one night before the start or after the end of the tour with us in hotels near the airport (we have no agreements for hotels near airports, but [here](#) you can easily find and safely book the accommodation that's right for you).

We recommend planning your transfer in advance to easily reach our meeting point at the airport and start your tour without stress.

### **Pick up at hotel in central Rome or other area**

If you arrive in Rome a few days before your tour with us and have booked accommodation in the city center, we regret to inform you that, **due to logistical reasons, we cannot arrange a direct pick-up service at your hotels**. This is to avoid the inconvenience of multiple stops at different hotels and to ensure that all tour participants receive the necessary information efficiently.

However, don't worry, reaching our meeting point at the airport is quite straightforward, and we suggest a few convenient options:

1. For **taxi services**, you have the option to independently book one by dialing "[Chiama taxi +39 060609](#)." Alternatively, for added convenience and speed, you can arrange a taxi through your hotel in the central area of Rome. When booking, request a taxi with fixed or regulated fares. You can find more information and download the official app from the City of Rome's website at this link: <https://www.turismoroma.it/en/node/18690>. Additionally, for information on taxi fares starting from € 50 from the center of Rome, you can refer to this link: <https://romamobilita.it/it/muoversiaroma/muoversi-taxi>.
2. The [Leonardo Express](#) is a direct train that connects Rome's Termini Station to Fiumicino Airport. The journey time is about 32 minutes and the ticket cost is 14 euros one way. The train arrives at Terminal 3, our meeting point, which is within easy walking distance.
3. The **Tiburtina regional train** is another option to reach the airport from central Rome. The trip takes about 50 minutes and the ticket cost is 8 euros one way. You'll find additional information on fares, frequency, and schedules for regional trains on the Italian railways' website: <https://www.trenitalia.com/en.html> or at the train station.

## Meeting point Rome Fiumicino airport (terminal 3)

The meeting point is very easy, and you can find all the information in [this file](#) (it is an example to see how easy it is). A few days before the tour starts, **I'll send you a pdf with the update information** regarding the driver(s) contacts.

If you arrive at Rome Fiumicino a few days before, I recommend taking a look at the meeting point in advance. This way, you'll feel more at ease in finding it later, even though it's already very easy to locate.

## Drop-off

For the **drop-off** to Rome we usually leave the hotel in **Vasto** after breakfast, **at around 09:00 am** so that we arrive at Rome Fiumicino airport at maximum 01:30 pm (if there is traffic, but it normally takes 3-3,5 hours, anyway, please plan to get a **flight after 3:00 pm**). If anybody in the group has an earlier flight, we could leave maximum 1 hour before (so at around 08:00 am) but we make our evaluations from time to time. If there is any specific need, there are also public buses that shuttle from Vasto to Rome Fiumicino (or the city center) earlier in the morning and by night (take a look [here](#)). In this case we organize the taxi transfer from the hotel to Vasto coach station (3 minutes driving).

## Drop-off at Rome Hotels or Train Station

The standard drop-off location is at the airport of Rome Fiumicino, however, if you need to be transported to a hotel in the center of Rome or near the airport of Rome, please specify this in the booking form by providing the names of the hotels. **During your stay with us, we will assess the possibility** and any **additional costs** (usually no more than € 60 per person/party) associated with this service based on the number of requests and the driver's itinerary. Please note that we cannot guarantee that we will be able to take you to your hotels, although we will do our best to accommodate your needs.

## Private pick-up and drop-off for group tours

Of course, we are always happy to support you to organize a **private pick up/drop off** only for you to let you join our small group tours listed in [our calendar](#). Please keep in mind that a private transfer (before or after the planned one) from Vasto to Rome airport or city center costs from € 350.

## Connecting to or from another part of Italy

If you are connecting to or from another part of Italy we are **happy to assist you in planning your pre and post trip connections**. If your planned arrival or departure does not coincide with the specified meeting time we can assist you in **booking a private transfer** at an additional cost or some extra nights in Vasto or Puglia.

Once a complete booking is made you may also contact us directly for further details and assistance. **We are always here to help and have the insider knowledge** and on the ground support to ensure you find the best option available to arrive or depart from your tour.

## Make sure to arrive at the meeting point on time but don't get stressed

Please note that all guests joining our tours are **responsible for ensuring they make it to the meeting point at 12:30 pm** at Rome's Fiumicino airport. Those who are unable to be on time will not be guaranteed a transfer from Rome to Vasto and will have to seek other arrangements to participate in the remainder of the tour. Anyway, **don't worry, there are**

**many daily public buses** that with less than € 30 **connect Rome Fiumicino airport or Roma Termini coach station with Vasto or Sulmona** as you can see [here](#).
