LOCATIONS & TRAVEL MOOD

"Calabria Unveiled: Scenic Wonders and Culinary Marvels" is an exquisite journey set between July 1st - 10th, 2025, designed to immerse travelers in the unparalleled beauty and gastronomic richness of Calabria. Your adventure begins with a warm welcome at Hang Loose Cottage, setting the tone for a trip filled with authentic experiences.

Explore the ancient silk traditions of San Floro, indulge in farm-to-table delights, and master local recipes through an intimate cooking class. Luxuriate in leisurely days by the beach or the resort, punctuated with excursions to Pizzo for the legendary tartufo ice cream, and the medieval charm of Badolato. Discover the art of cheese-making in Guardavalle, wander the scenic Soverato, and savor the exquisite wines of Casa Ponziana.

The journey crescendos in Tropea, crowned the most beautiful town in Italy, where you'll stay at the enchanting Il Borghetto di Tropea. Experience a mesmerizing boat tour along the coast, learn the secrets of traditional bread making with Franca at the Asfalantea Association, and delve into the world of the renowned Tropea onions with a visit to their fields.

This tour is not just a holiday; it's a profound exploration of Calabria's scenic wonders and culinary marvels, designed to leave you with everlasting memories and flavors that echo long after you return to your home.
